

ENGAGE

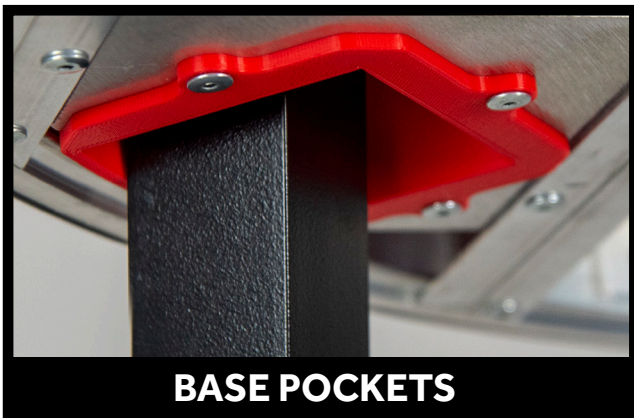

LOCKING SYSTEM™

PATENT PENDING

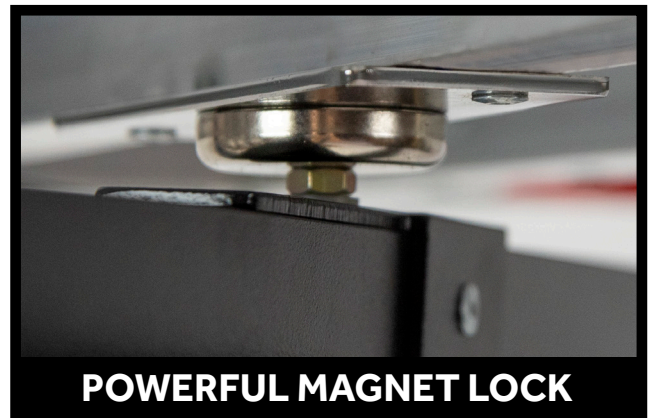

ENGAGE Locking System™ for XCube Tables™

The XCube Table™ line will now feature this quick locking system that allows for effortless securing of the table top and base. The ENGAGE Locking System™ utilizes powerful magnets for fast and positive attachment. In addition, this new system features no-look base pockets that makes setup an absolute breeze!

BASE POCKETS

This custom design self guiding pocket allows for simple alignment & set-up of the table top to the base.

POWERFUL MAGNET LOCK

ENGAGE Locking System™ utilizes a high-power magnet that engages the table top and base.
